

ARRIVAL VERIFICATION FORM FOR EXCHANGE VISITORS

It is TIEC's policy that the EV may enter as late as 14 days after the program start date. After that, we strongly recommend pushing the program dates back to accommodate travel and the processing of arrival verification documents.

Additionally, please note that TIEC charges an additional \$150 for expedited process if all the arrival verification documentation isn't submitted within 14 days of the exchange visitor's program start date as stated on the DS-2019, or if a request to push back the program dates is submitted after 14 days of the program start date. TIEC cannot push back the start date if the exchange visitor has already arrived in the U.S.

TIEC must receive the following signed statements with supporting health insurance and emergency contact information no later than 25 days after the exchange visitor's start date. **Failure to submit complete documentation in a timely manner may result in the loss of J visa status.**
